## Angela Tarrance

CHLMS, CRS, ABR, SRES  
*The Ashton Real Estate Group  
of RE/MAX Advantage*

Angela is a native of South Carolina and pursued her real estate license after a successful career with an International Fortune 50 Company. She has navigated multiple state-to-state relocations and truly understands the experience of buying and selling property. Upon moving to Nashville in 2010, Angela immediately fell in love with the local lifestyle and community and jumped into the real estate realm. As the Nashville market has been on fire, so has Angela's success. She was the number one agent of the 150 agents in her brokerage in both 2017 and 2019 and has \$100M in career sales.

Angela is the Director of Luxury Home Sales for The Ashton Real Estate Group of RE/MAX Advantage and attributes much of her success to the opportunities afforded her by the brokerage. She says her office is a team environment where everyone works together to ensure the success of all. Angela teaches classes on selling luxury homes and mentors new agents.

Angela enjoys traveling, tennis and spending time with her husband and their six children.

She has been involved in many charitable organizations, including serving on multiple Board of Directors for organizations such as the Alzheimer's Association and Palmetto Place which is a home for abused children.

Year after year, she is a "Miracle Agent" donating thousands of dollars to Children's Miracle network, whose funds go directly to Vanderbilt Children's Hospital.
